

21 – 22 (23) October 2024, Singapore

## Exhibition and sponsoring opportunities

### Join us in Singapore

We would like to extend an invitation to your company to be part of the NAFEMS Multiphysics Conference 2024. This gives attendees the opportunity to attend two conferences on one venue for one price. There are several outstanding opportunities available for your company to sponsor or exhibit at the conference, giving you maximum exposure to a highly targeted audience of delegates, who are all directly involved in simulation, analysis, and design.

### Team with NAFEMS

As the only International Association for the Engineering Modelling, Analysis and Simulation Community, NAFEMS is widely held to be the leading independent source of information and training for engineering analysts and designers at all levels. Sponsors and exhibitors will have the chance to promote their participation prior to the event through the various sponsorship packages we are offering. Your participation in this conference will provide a positive impression of your company's commitment to best practices in the area of engineering simulation.

### A Unique Opportunity

The NAFEMS Multiphysics Conference 2024 presents a unique opportunity by providing a forum where all individuals can represent their solutions in a single location to many potential clients and collaborate with other vendors in this field. What better way to justify your support of this event! The exhibition area will be central to the conference itself, ensuring that there is always a consistent level of traffic giving you the chance to meet as many of our delegates as possible.

We look forward to seeing you in Singapore.

Your NAFEMS Team

NAFEMS Deutschland, Österreich, Schweiz GmbH  
Griesstraße 20, 85567 Grafing b. München, Germany
