Exhibition and Sponsoring Opportunities

Join us in Bamberg

The 8th NAFEMS DACH Conference offers you an **independent, comprehensive, and interdisciplinary** range of information and networking opportunities in the field of numerical simulation methods (CAE) - a platform on which new techniques, tools, and "best practices" are presented.

What to expect

- **All CAE topics related to numerical simulation, such as FEM, CFD, MKS, MBS, ...**
- **Other topics, e.g., Artificial Intelligence/Machine Learning (AI/ML), SPDM**
- **Exciting keynote lectures**
- **Technical presentations (last approx. 100)**
 - **from industry, research, and universities,**
 - **from different applications**
 - **from different technical areas,**
 - **using different software products**
- **Extensive networking opportunities**
- **Large exhibition of leading hardware and software vendors and service providers**
- **Short courses**
- **Get-together and gala dinner**

Team with NAFEMS

As the only International Association for the Engineering Analysis Community, NAFEMS is widely held to be the leading independent source of information and training for engineering analysts and designers at all levels. Sponsors and exhibitors will have the chance to promote their participation prior to the event through the various sponsorship packages we are offering. Your participation in this conference will provide a positive impression of your company's commitment to best practices in the area of engineering simulation. The NAFEMS DACH Conference provides an excellent opportunity for promotional and product/project awareness, and direct access to technology leaders.

A Unique Opportunity

The NAFEMS DACH Conference presents a unique opportunity by providing a forum where all individuals can represent their solutions in a single location to many potential clients and collaborate with other vendors in this field. What better way to justify your support of this event! The exhibition area will be central to the conference itself, ensuring that there is always a consistent level of traffic giving you the chance to meet as many of our delegates as possible.

We look forward to seeing you in Bamberg.
